TOURNAMENT RULES

The following rules for the tournament will be interpreted by the Tournament Committee.

ALL decisions will be final.

Boat numbers assigned by order of entry received.

All live wells will be inspected.

Alcoholic beverages are prohibited during tournament hours, including weigh-in.

Liability Insurance: All boats are required to provide proof of current watercraft liability insurance.

Boats & Motors: All boats must be 15 feet or longer with a 15 hp motor or larger. Aerated live wells are mandatory. Kill switch is mandatory, any time main motor is running.

Eligibility: Appropriate fees must be paid. All contestants must be 16 years of age or older unless accompanied by a parent/guardian.

Safety & Sportsmanship: At all times safe fishing and boating practices must be observed. Life jackets must be worn during takeoff and any time the main motor is in operation. State regulations are enforced.

Fishing Locations: You may fish anywhere on the tournament lake **EXCEPT** within 50 yards of another contestant's boat, weigh-in area.

Scoring: Largemouth Bass (12 inch), Smallmouth Bass (12 inch) and Spotted Bass (12 inch) will be counted. Measurement by **GOLDEN RULE**. Total weight per team will determine placing. Any Bass under length limit will cause 2 lbs. to be deducted from the total stringer weight plus the loss of short fish.

Limit five fish per team. Any frozen or iced fish presented for weigh-in will result in AUTOMATIC disqualification. Contestants must be in sight of their partners during tournament hours and until they have weighed in. No live bait or Alabama rigs.

Polygraph Test: Polygraph test may be given at random at the discretion of the tournament committee.

Dead Fish Penalty: Every dead fish presented at weigh-in will result in a 1 lb. penalty, including Big Bass. Posted weight will include dead fish penalty.

Protests: Protests must be filed in writing and signed within 15 minutes after the total weigh-in closes.

Late Penalty: Any boat checking in late will lose 1 lb. per minute up to 10 minutes, then disqualified.

Ties: In the case of a tie, the winner will be the team with the MOST bass; if both teams have the same number of bass, the winner will then be determined by the Heaviest Bass. If the bass weight is equal, then the winner will be determined by who was the earliest to register.

ALL LIVEWELLS AND PLUGS MUST BE PULLED AND DRAINED BEFORE LEAVING DEVILS FORK LAUNCH AREA PER STATE REGULATIONS.

The Tournament Director reserves the right to refuse or reject tournament applications or participants!
